FACULTY

What is a teacher?

He's a rare breed of animal, vegetable, and mineral that's got something about sacrifice.

He could probably be making more money elsewhere and could be lots happier.

Yet for some reason, he's here now giving all he can, giving just for us.

It was not a perfect year
But has there ever been a perfect year?
Has there ever been a year
When all the love and health and fame
We wished for one another
Ever came to pass?

Yes, despite the disappointments
Of these, our complex lives,
We learn to make do
make better
make believe
That better days will come.

And if we do continue to believe
Who is to say
The perfect year
Will not yet be here?

International Banquet

On October 26, the foreign language clubs of Tenney High sponsored their first International Banquet. The menu included samplings characteristic of each country represented while colorful displays told of customs and events past and present.
